

HORACE CAMPBELL

He served as pastor of the Medaryville Methodist Church and circuits from Nov. 3, 1889 to Oct. 6, 1890. The church records state that he was "formerly of Nebraska" and one of the ministerial sons of the late William Campbell, once a successful local preacher of this circuit. But the winter was unfavorable in the way of church protracted "meetings." I found one reference saying he had gone to Central Pa., another saying he had served at Chaumont, N.Y.
